

For Hospice Patients and Family Caregivers

A Different Season The Hospice Journey

by G. Leigh Wilkerson, RN

A Different Season: The Hospice Journey

#1 Bestseller. Guides hospice families from the first day of admission through the dying process. Covers the hospice concept, services, caregiver challenges, family dynamics, pain control and food/fluid issues. Available in Spanish. (32 PAGES)

- For every family you admit
- Written for family caregivers
- Use for staff and volunteer training too

We use them with every admission . . . makes a difficult time easier for families to understand—a TX hospice
One of our QAPI/PIPs was to increase caregiver confidence. We used A Different Season for family education . . . we noted improved responses. Families need reinforcement of verbal teaching and this is an excellent tool. Thank you for developing this wonderful booklet —a WI hospice

Caregivers love it—a NM hospice

The book covers everything that we want to cover with our patients, but with a softness. Great job!!—an IN hospice

Making the Most of Every Moment

A Patient's Guide to Living with Hospice

by Teri Collet
ACSW, LCSW, ACHP-SW

Making the Most of Every Moment: A Patient's Guide to Living with Hospice

New! By Teri Collet, ACSW, LCSW, ACHP-SW. This gently written booklet reinforces your teaching while helping your patient face tough role changes, complete a loving legacy, put affairs in order and understand how the hospice team can help. A guide you can leave in your patient's hand, knowing it will keep comforting and teaching—even after your visit is over. (32 PAGES)

- For hospice patients

We find your booklets very helpful in sharing the Hospice journey with our families. They are great.—a MO hospice

The Memory Keeper Glimpses of a Lifetime

by G. Leigh Wilkerson, RN

The Memory Keeper: Glimpses of a Lifetime

This workbook provides questions to elicit memories. Space provided to write recollections. Families have conversations that get to deeper meaning, not just random facts. (32 PAGES)

- For Life Review with patients and family
- Excellent volunteer activity

I heard stories I'd never heard my Mom tell—an AR family

We enjoy your booklets; they are well-written and easy to read and understand. —a WY hospice

When Time is Short The Dying Process

by G. Leigh Wilkerson, RN

When Time is Short: The Dying Process

Explains the dying process simply for families. Very easy reading level and simple layout makes for quick understanding, but written with sensitivity. Describes helpful actions for families during the process. (12 PAGES)

- For family and caregivers
- For the last weeks/days/hours of life
- Excellent for inpatient units

The booklets are great! They are easy for patients and families to read and have been a great addition to our program —a PA hospice

This was so helpful to me, I can't imagine having been without it —an AR family

A very clearly written little booklet. The topics are right on track with what our patients & families are going through—a WA hospice

For Prospective Clients, Community & MD Outreach

Considering Comfort Care: A Guide for Families

Introduces hospice in a gentle and convincing way. Helps overcome the myths that surround hospice and ease fears that delay hospice care. Empowers families to ask for hospice sooner. A great resource for churches, donors, civic groups and physicians. Educates your community as you publicize your hospice.

We love your booklets! They explain hospice in a positive way and dispel many myths—an IA hospice
We are using Considering Comfort Care in a folder that we are giving out to potential patients who contact us, plus our physicians and local pastors. Many have said that it is an excellent resource for them.
—a TX hospice

We sent copies to every provider in our coverage area because it introduces hospice so well—a PA hospice
No one could read this booklet and still be opposed to hospice—it's written that gently and that well—a CA hospice

- For info folders and new referrals
- For Family Education
- For Provider Outreach & Community Education Programs
